ROOFTOP-BAR
THEMED SPRITZ
IN THE HEART
OF ROME

LOCATION

The **Spritzeria Monti** was born on a terrace in Via dei Serpenti, inside the Boutique Hotel **Condominio Monti** (Best 50 Hotels in Rome by Conde Nast), in the heart of the Rione of the same name, from where one can enjoy a suggestive view of the Colosseum.

In an informal atmosphere, the restaurant, located on the fifth floor, offers a jovial and dynamic ambience, enriched by a captivating background music and a fresh and modern design that reflects the style of the entire structure.

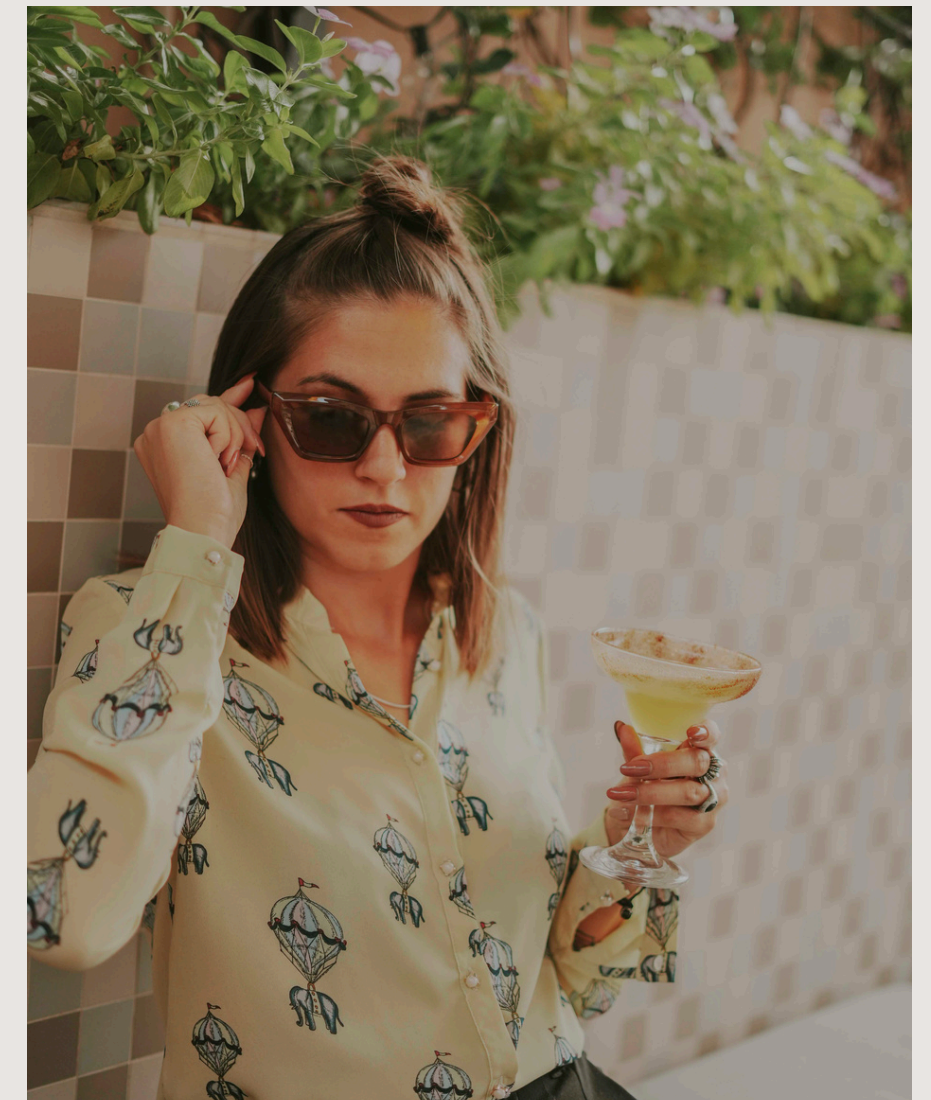

The image features four distinct spritz cocktails arranged on a light-colored wooden table. From left to right: a tall, elegant glass containing a pale yellow drink with a slice of citrus on top; a classic martini glass with a reddish-orange liquid and a garnish; a tall, textured glass filled with a light-colored, bubbly drink and a sprig of mint; and a tall, elegant glass with a dark orange-red liquid and ice cubes. The scene is bathed in warm, golden light, creating soft shadows and a cozy atmosphere. The text 'THE SPRITZ' is centered in a white, serif font over the middle of the drinks.
